**REVISED Deadline: October 15, 2024 at 11:59 PM PST**

The Gail Harker Center for Creative Arts **Open Call for Art** for our Benefit Art Auction returns this year for the first time since 2013! We invite visual, embroidery and textile artists to submit works to be included in our 2024 Auction. A portion of the work will be on exhibition within our booth at the International Quilt and Fiber Art show in Everett October 3-6, and the full body of work will be available to see in person at an Open House at the Center and online at <https://gailcreativestudies.com>.

#### **ABOUT THE AUCTION**

The Gail Harker Center for Creative Arts Auction is a fundraising event bringing together artists, community members, our students, collectors, donors, and friends, while supporting the activities of the Center to share educational opportunities within our community. This is a wonderful way to have collectors and fellow students see and be able to obtain your work. All proceeds will go to benefit the Gail Harker Center for Creative Arts.
